If you are renewing a **family** membership (and have already linked all family members together as Family Group), click on the "My Family" tab, then "Renew Memberships" tab. For instructions on how to create a Family Group, see below.

Step 4: It is important that all Members check the accuracy of information contained in the Members' Portal, especially contact information so our Club can communicate with you.

Step 5: Read the Membership Application and Declaration Statement and click the Acknowledgement boxes at the bottom of the page and Submit.

Step 6: Once your Renewal form has been submitted, you must pay your membership fees by clicking on the 'Make Payment' link from Membership screen and follow the prompts. **A price list is available by clicking on the link next to "Entity to Pay"**. Membership renewal is not complete until both the Renewal Form has been submitted and your membership fees have been paid.

How to Create a Family Group on the Members' Portal

If you receive an error message “The information you have entered does not match any records in the system” contact Kate Kelly, our Registrar for verification of our records at registrar@nccslsc.com.au
