## North Curl Curl SLSC Objectives

The objectives of the Club shall be to:

1. Study and practice methods of Life Saving;
2. Minimise the loss of life by applying effective lifesaving skills and beach patrol services;
3. Promote, demonstrate and arrange instruction in the principles that underlie the skills of surf lifesaving and to generally further the best interests of Life Saving;
4. Assist the Council's Professional Lifeguard in his/her duty and by, via the Club's beach patrols, render all appropriate assistance to those in distress;
5. Encourage and promote the physical and social welfare of its members;
6. Promote a professional and friendly image and act in a courteous and professional manner at all times;
7. Develop and educate Junior Activities Members in the skills of surf lifesaving and to promote their progression and integration to the senior ranks of the Club;
8. Support the Board in its actions in promoting the Club and surf lifesaving.

Notice is hereby given that the

## THE NINETY SIXTH ANNUAL GENERAL MEETING

of the North Curl Curl SLSC will be held at  
the North Curl Curl Surf Life Saving Club  
at Huston Parade, North Curl Curl Beach  
on Sunday 5th August, 2018 at 9:30am

### AGENDA

All Members and Visitors to sign the Attendance Book

- Apologies and Proxies
- Confirmation and Adoption of Minutes: 2017 AGM
- Presentation of Annual Report
- Presentation and Adoption of Financial Statements for Year Ended 30 April 2018
- Motion to Affiliate with SLSSNB (Branch)
- Club Awards
- Determination of Annual Fees
- Notices of Motion
- Election of 2018/2019 President, Directors and Office Bearers
- Election of Life Member Award Committee
- Election of Honorary Members
- Adoption of By-Laws
- General Business

For and on Behalf of the Board of Directors, Delegates and Club Officers.

Robert Killian  
Director of Administration

### REMEMBERENCE

Our deepest sympathy to members, relatives and friends who have suffered bereavement or illness during the past season and we trust the support and friendship of North Curl Curl Surf Life Saving Club is of comfort during your hard and troubled moments.

## 96th ANNUAL REPORT

To the Members of  
North Curl Curl Surf Life Saving Club Inc.,

Robert Killian  
Director of Administration

### BOARD OF DIRECTORS MEETING ATTENDANCE

There were Twelve Board of Directors Meetings.  
Attendances are presented as follows:

Position	Attendance	Apology/ Absent
President	11	1
Director of Surf Life Saving	10	2
Director of Education	11	1
Director of Administration	8	4
Director of Finance	10	2
Director of Surf Sports	11	1
Director of Junior Activities	8	4
Director of Marketing	9	2
Director Member Services	9	2
Director of Youth	n/a	n/a

# CLUB ADMINISTRATION

**Robert Killian**  
**Director of**  
**Administration**

*"There have been many highlights for me at the Club this season, It was truly a fantastic year!"*

I would like to commence my report by acknowledging another outstanding year of service on our beach by our patrolling members. To Matt O'Connor and our Patrol Captains, thank you for your leadership and service to our Club and our Community. You have all served with distinction again this year.

There are many people that I would like to thank and acknowledge under the administration portfolio for the significant contributions they made to the NCCSLSC last season.

Kate Kelly took on the critical role of Club Registrar this season and did an outstanding job both behind the scenes and at Registration Day. Thank you Kate.

Special thanks to our fabulous uniform volunteers Victoria and Ann, and their families, for the many hours dedicated to making sure we all look smart on the beach both at home and abroad.

The NCC tradition of 'Bottles' every Friday and Sunday night continued again last Season. Thank you to Sasha and Andy Biasi and your family for all you do to support the Club and the terrific service you provide.

Peta Fairlie and George Lewis were appointed as our new Club Caretakers at the start of the season and it did not take long for them to realise what big shoes they had to fill. Thank for doing a great job Peta and George and thank you for taking on additional responsibilities throughout the season as required.

Last season we were fortunate to appoint Laura Snyder as our Club Administration Officer and she has been a valuable support resource to the Board of Directors. Thank you for doing a great job Laura.

Some of the highlights for me last season were some of the outstanding events we hosted at the Club House including the Motown Night that was a huge success attracting hundreds of members and their guests and we raised significant funds for the Club. Well done to organiser Glenn Slater and his support team.

At Board level, we are indeed fortunate to have a group of Directors that devote significant personal time and effort to ensure that the Club continues to prosper. I would like to single out the efforts of Life Member and Director of Education, Alex 'the Wiz' Wye. Wiz, you are a true Club person whose commitment to the Club is second to none.

There is barely an aspect of the Club that you have not made a significant contribution to. Thank you.

I would also like to acknowledge the efforts of

our outgoing Director of Junior Activities, Natalia Salzberg for her outstanding contribution to the Club and the Nippers Program.

It is with regret that I will not be standing for the administration position next season however I look forward to being of assistance to the members next season around the Club. Stay safe on the beach in 2018 / 2019

**Robert Killian**  
**Director of Administration**

# Office Bearers 2017/2018

## Board of Directors, Delegates and Club Officers

President	David Wymer
Director of Administration	Robert Killian
Director of Finance	Simon Prowse
Director of Surf Life Saving	Matt O'Connor
Director of Junior Activities	Natalia Salzberg
Director of Surf Sports	Glenn Slater
Director of Marketing	Danni Petkovic
Director of Education	Alex Wye
Director of Member Services	Jamie Howieson
Director of Youth	Vacant
Assistant Directors of Surf Life Saving	Vacant
Assistant Director of Administration	Vacant
Assistant Director of Finance	Colin Willison
Assistant Director of Surf Sports	Tony Williams
Assistant Director of Marketing	Vacant
Assistant Director of Education	Clare Hagon
Assistant Director of Youth	Vacant
Assistant Director of Member Services	Mike Rasmussen
Club Registrar	Kate Kelly
Power Craft Delegate	Vacant
ATV Coordinator	Greg Stretton
First Aid Officer	Carmel Howard
Radio Officer	Sarah Wanden
Gear Steward	David Jones
Sunday Events Co-ordinator	Alex Wye
Water Sports Delegate	David Jones
Boat Delegate	Roger Harris
Beach Delegate	Renee Nero
Junior Captain (Female)	Keely Allsop
Junior Captain (Male)	Harry Prowse
OH&S Officer	Pete Fairlie
Child Protection Officer	Robert Killian
Club Historian	Kevin Martin

# PRESIDENT'S report

**David Wymer  
President**

*"The first year as President has been the most enjoyable and fulfilling 12 months"*

The 2017/2018 season finally finished after nearly eight months of patrolling duties and as such all active patrolling members are to be congratulated on a job well done in maintaining our club's proud record of 'no lives lost' whilst patrols were on duty, this has been the case for the past ninety-six seasons with the plan to keep this proud record intact moving into the future. Our patrols have shown total dedication to getting the job done in providing our local community with a highly professional volunteer service of which all members can be justifiably proud, each of the patrols with many and varied incidents that were handled in a truly professional manner. Congratulations to all patrol members and supporters.

With patrols and protecting our beach is the highest priority for us as a club we need to ensure our patrol member are equipped with the best tools and equipment possible, over the past 12 months we were in a good financial position to invest back into these focus areas with the help of some very generous sponsors we were able to replace majority of our aging and out dated patrolling equipment.

Looking back, we were able to replace:

- 10 patrol rescue board
- 3 of the first aid/oxygen kits
- 2 of our IRB Motors
- New Patrol Tent. (pop up)

This is not the completion of the patrol equipment refresh, next season we will see the remaining out-dated equipment replaced. The new and improved equipment really allowed our Director of Surf lifesaving Matthew O'Connor and his teams of patrol to protect and serve the community in the most efficient way. Thank you, Matt and all the patrol members.

The Junior Activities were well led this season by Junior activities Chairman Natalia Salzberg and her team and were well represented at all carnivals and events. Numbers were once again on the rise with well in excess of 550 again enjoying competition and social activities on the beach, with a large percentage of the junior members achieving their respective awards for the season.

Our Club Trainers and Assessors have been continually putting our members through proficiencies to increase award qualifications of existing patrol members, I would like to send out a massive thank you to our Director of Education Alex "The Wiz" Wye and his team for an outstanding effort this past season.

Surf sports has always been a proud and important part of the club's activities and culture. The pride of competing in the green and gold has somehow seen NCC as a club

generally "punching above our weight" with some great results being achieved. Season 2017/18 was no exception with an exceptional outcome of a 6<sup>th</sup> place in the Nippers state championships. Congratulations to all trainers competitors and supporters

The club's three major fundraisers were once again quite successful with our 3 Points Challenge held on the first Saturday in December our Golf Day held in the Christmas / New Year break and finally our Motown night help late December. Special mention and thanks to Louis Tassone, Glenn Slater and Danni Petkovic, who were the individual champions respectively for the staging of these events.

I would like to take this opportunity on behalf of North Curl Curl SLSC to extend our sincere appreciation and thanks to both Federal and State Governments as well as our National and State bodies and their Partners for their continued funding assistance.

For us, of course, the most important supporters are the clubs sponsors without their funding we would undoubtedly fall way short in the maintaining of the level of community service we provide.

Our major supporters are John Huston, Vivid Property Services, Freshwater Community Bank, Dee Why RSL, Ian Westmore, L J Hooker Dee Why, G J Gardner Homes, Curl Curl Plumbing and Channel 9. Thank you all most sincerely individually and collectively.

I would like to thank Surf Lifesaving NSW president David Murray, Branch President, Doug Menzies, the Branch Executive and Officers, CEO Steve McInnes and Branch support staff for all their assistance last season. I also thank the Northern Beaches Council and Lifeguards that assisted the Club in our community endeavours.

I am looking forward seeing you all at the beach in the 2018/2019 summer season.

**David Wymer  
President**

# SURF LIFESAVING

**Matt O'Connor**  
**Director of**  
**Surf Lifesaving**

*"The objectives of the Club shall be to minimise the loss of life by applying effective lifesaving skills and beach patrol services"*

2017/2018 was another successful season for North Curl Curl SLSC. The beach was open more regularly than it had been over the past few years, which was a positive for everyone. The great news is no one was seriously hurt whilst we were patrolling the beach. Through the hard work of our trainers, we gained fourteen or so new bronze members along with a number of SRC converts with existing members improving on their skills. Most importantly, and for the 96th year in succession, no lives were lost while our club was in charge of the beach.

However, we did lose someone. Long standing Club Member, Ray Merton left Australia to follow his aerospace career in Vancouver, Canada. Whilst at North Curl Curl Ray was actively involved with all facets of our club. He patrolled, was a trainer, among the first to volunteer for any task, meticulous in setting swimming distances for the Three Points Challenge, arranged anchors like his life depended on it, assessed new skills in his blue shirt, competed, spent time on The Board, was a mentor to some and a friend to many. Ray did have a habit of ruffling others' feathers but more often than not the reason behind it was sound. His presence in all of these areas will be missed, but probably not by the surfers that had to get out of the way as Ray came haring through the line-up on his surf-ski. Thanks for your work and dedication over the years Ray. On behalf of all at North Curl Curl, we hope your career "takes off" on in Canada.

A disappointing component of the season was the need to introduce penalty patrols for repeated no shows. Individually, and collectively, we need to remember that all other surf activities are secondary to our primary purpose. From our club's constitution:

We can't do that when patrolling members don't show up! Regrettably we had to scramble to get the minimum patrol numbers on the beach a couple of times mostly early in the season. Put simply, if you don't want to or don't like to patrol you have joined the wrong club. Enough said.

There are a multitude of people I need to thank:

- **The Patrol Captains** – these fifteen people took time out of their lives to manage their patrols on top of work, home and other commitments. Usually a simple task, a couple of times this season patrolling got a little tricky as a result of surf conditions, extreme heat and crowd numbers. Without their beach and people management skills the sand could have been a rabble. Needless to say, it wasn't.
- **The Patrolling Members** – the success of this season lay at your feet, again.
- **The Board Members** – lead by David Wymer, the (mostly new) board faced some challenging issues this season, had a number of expensive items to repair and/or replace and did it all with aplomb. The bulk of the board will remain for the 2018/2019 season to consolidate our club's position as a stand-out in the Sydney surf lifesaving community.
- **Peta Fairlie and George Lewis** – we could not have replaced our former caretaker with a better couple. Always a friendly welcome, regardless of what time they went to bed after cleaning the hall and surrounds, the temperature or crowds. Their presence is a blessing.
- **Heath and the council lifeguards** – working with this group was a pleasure again this year. Heath's laid back view of life opened my eyes to a different, and better, opinion on a number of topics this season.

- **Bendigo Bank** – our boat shed is the envy of the northern beaches compliments of Bendigo Bank's generosity. Two new inflatable rescue boats (IRB) and four new outboard motors over the last 54 months is simply spectacular.
- **Phil Godbee** completely deserves his, recently awarded, life membership and works enough hours completing Bronze courses to earn another each season.
- **Steve Atkins** showed his continued form as a committed surf lifesaving man. A number of times "Spider" swam, skied or paddled as personal fitness early in the day, ran IRB crew training from 08:00, IRB driver training from 10:00 then Bronze training from 14:00, finishing up – coincidentally - just as the bar opened. It exhausts me just thinking about it.
- **Wiz and the training team** – without this group we would not have the patrolling numbers we do. Phil and Spider, senior trainers, are assisted by a dedicated junior team (for want of a better term) and steered in the right direction by Wiz.
- **Mike Rasmussen** (IRB), **Greg Stretton** (ATV) and **Carmel Howard** (First Aid) needs little introduction but maximum gratitude.

I entered surf lifesaving at a trying time in my life in an attempt to stay busy and meet some new people. Both were easy to do, such is the club we have. Now in my sixth season and after two years as Club Captain, I am as content and satisfied with my lot as ever, compliments to many in the club - and a few who aren't. Even the non-member locals acknowledge me and say hello. So much for the "insular peninsular".

About 33 years ago, my first and favourite Rugby coach explained why he stopped training our Under 8's team after two seasons: "They don't get sick of you and you don't get sick of them". Application of Brian's wisdom has worked well ever since. To that end I am standing down as Club Captain. Modern communication methods and styles, new thinking and ideas applied to old problems are a must in this role. The challenge is there for another.

Finally, on Saturday the 6<sup>th</sup> of January, the day before Sydney was the hottest place on the planet and our strip of sand was covered with thousands of beachgoers way beyond the 3<sup>rd</sup> gate, a young boy walked up behind me and said, very quietly, "Thanks for keeping me safe." Initially I was taken aback by his words. After thinking about it the truth is, since 1922, we have all kept him safe – those who started the club, those who have patrolled in the past and our current contingent. It's simply what we do at North Curl Curl.

Thanks for having me. It truly has been an honour.

**Matt O'Connor**  
**Director of Surf Life Saving**

“During the course of the 2017/2018 season, 92 of our surf club members, ranging from 13 years of age through to a few of them over 60 years of age, collectively attained 128 Surf Life Saving Australia awards“

Even though our surf club did not have as many club members as last season gain Surf Life Saving Australia awards, it was very pleasing to note that collectively 92 of them did attain a total of 128 awards during this past 2017/2018 season.

Of these 92 successful club candidates, 46 (exactly half) of them were adult club members and 34 were juniors (15 years to 18 years of age), with the remaining 12 being cadets (13 years and 14 years of age).

Probably the really good news this season was that courses conducted internally at or hosted by North Curl Curl S.L.S.C. accounted for approximately 110 of the 128 SLISA awards gained, with the remaining 18 SLISA qualifications being achieved through Branch facilitated courses.

The breakdown of successful candidates in each of the SLISA courses conducted during this season were as follows:-

- Bronze Medallion - 29 successful candidates (25 internal, 4 external).
- Surf Rescue Certificate - 12 successful candidates (10 internal, 2 external).
- Silver Med. Beach Management - 1 successful candidate (external through Branch).
- IRB Driver's Licence - 2 successful candidates (both internal).
- IRB Crewperson's Certificate - 13 successful candidates (all internal).
- Provide Advanced Resuscitation - 6 successful candidates (all internal via SLISNSW).
- Provide First Aid Certificate - 54 successful candidates - 37 first time, 17 renewal, primarily internal via First Aid Plus).
- Spinal Management Certificate - 11 successful candidates (external through Branch).

As has been the procedure in previous Annual Education Reports, the names of all of these recipients and the awards that they attained are listed at the end of this Education Report. Our surf club would like to thoroughly congratulate all of these successful club members for the diligent efforts that they produced in order to achieve these commendable results over this past season.

Also, as was indicated in last season's Annual Education Report, most of these results would not have been possible without the superb contributions of our surf club's diligent and highly motivated trainers, assessors and facilitators. Indeed, the ongoing wonderful efforts of these

dedicated club personnel on behalf of North Curl Curl Surf Life Saving Club enabled most of the individuals concerned to achieve their very fine results.

Therefore, my sincere gratitude and that of our surf club goes to the following club trainers, trainee trainers and training assistants for the outstanding service that they have so willingly provided over this past 2017/2018 season:-

**Bronze Medallion** - Phil Godbee, Kaitlyn Smith, Steve (Spider) Atkins, David Jones,

Ray Merton, Michael Jones, Sophie Douneen and Max Puddicombe.

**Surf Rescue Certificate** - Natasha Spencer, Ray Merton and Alex (Wiz) Wye.

**IRB Driver and Crew** - Steve (Spider) Atkins with assistance from Matt O'Connor, David Young, Ben Dregghorn, Matt Truman, Kurt Wegenaar, David, Irvine, Jason Cooper and Luitz Koopman.

In addition, sincere appreciation goes to club assessors Clare Hagon, Steve Atkins, Phil Godbee and Ray Merton for conducting our surf club's annual proficiencies in the various SLISA awards which included Bronze Medallion, Surf Rescue Certificate, Provide Advanced Resuscitation, IRB Driver, IRB Crew and Spinal Management. During this past season, this was a massive task to accomplish, with several hundred SLISA awards being updated for over two hundred club members. These folk, along with the other club trainer assistants, completed this complex endeavour with high levels of competency.

When one considers that these same club assessors also represented our surf club by giving their time at numerous Sydney Northern Beaches Branch course assessments during the past season, the magnitude of their workload should never be underestimated.

Special acknowledgements must also go to the external facilitators who have assisted our club members in attaining valuable SLISA awards, with this first class group including First Aid Plus, Surf Life Saving NSW and Sydney Northern Beaches Branch.

First Aid Plus, which is run by Maryanne Troop and Gary Beauchamp conducted three Provide First Aid Certificate courses during the 2017/2018 season and as a result there were 54 successful candidates, an increase of 10 from the 2016/2017 season. Also, primarily through the tuition of First Aid Plus, 114 of our surf club's patrolling members now have their first aid qualification - thank you very much, Maz and Gaz.

Whilst only six club members attained their Provide Advanced Resuscitation Certificate

during the season compared with 22 from the season before, it needs to be remembered that we already had 73 patrolling members with this award and therefore far less potential candidates to draw from than for previous seasons. Thanks, once again, goes to Gary Hyland from Surf Life Saving NSW who has been the main facilitator of this course for our surf club members over the past few seasons.

As has been the case in previous seasons, Sydney Northern Beaches Branch conducts the courses that allow our club (patrolling) members to gain both their Silver Medallion Beach Management (that is, Patrol Captains' status) and Spinal Management Certificate qualifications.

During this 2017/2018 season, our surf had one successful candidate and eleven successful candidates respectively in these two courses and our surf club thanks Branch and the respective facilitators involved for the tuition they provided in these two awards.

On reflection, our surf club's Education Portfolio has had another most successful season and it is important for us to build on these positive outcomes that have been achieved as we proceed into the forthcoming 2018/2019 surf patrol season.

During next season, our surf club will be striving to have its club (patrolling) members become even better qualified in the various SLSA awards, so as to improve the already fine functioning of its surf patrol teams.

As has been the policy in previous seasons, there should be two Bronze Medallion courses conducted in the 2018/2019 season, one before Christmas and the other in the New Year. Furthermore, there should be the usual pre-Christmas Surf Rescue Certificate course and several IRB Driver/Crew courses throughout the season.

First Aid Plus will again be asked to conduct at least two Provide First Aid Certificate courses, Surf Life Saving NSW will be requested to hold another Provide Advance Resuscitation Certificate course and as many patrolling members as possible will be sought to attend the various Branch conducted Silver Medallion Beach Management and Spinal Management Certificate courses.

During this past 2017/2018 season, several of our surf club's younger (or teenage) members were very actively involved in training other club members, especially in both Bronze Medallion squads, so it is our sincere wish that this excellent initiative not only continues, but is expanded upon during the forthcoming 2018/2019 season.

Finally, as well as acknowledging all of our club trainers and assessors in the Education Portfolio for their admirable work output and excellent results achieved, I would also like to thank them for the wonderful support that they have afforded me in the co-ordinating role that I have had to play in this portfolio for our surf club over the past two seasons.

Alex "the Wiz" Wye  
Director of Education

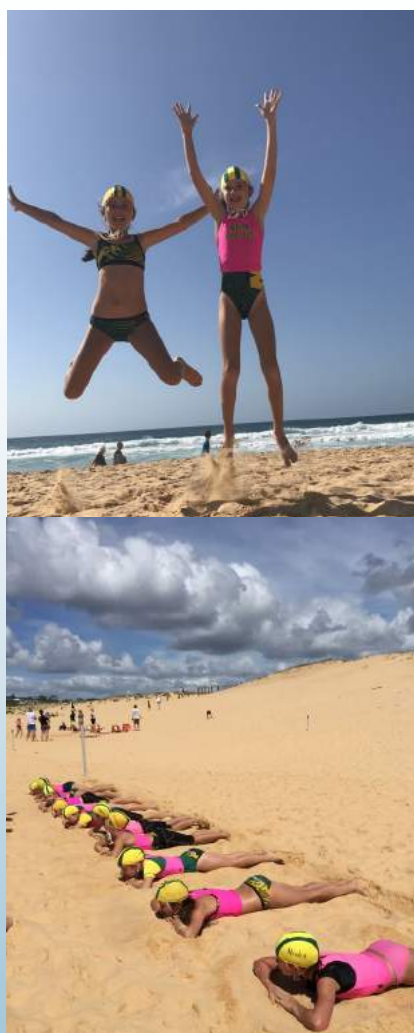

# JUNIOR ACTIVITIES

**Natalia Salzberg**  
**Director of**  
**Junior Activities**

*"What a season for the North Curl Club, Job well done"*

We've had a great season. We were blessed with great weather most Sundays and we've seen increased participation in board skills development sessions.

This season we saw quite a few new parents in the younger age groups step up to the role as Age Managers and helpers for their first time. It was great to see the team spirit with parents supporting each other to make sure we had enough coverage on the beach each Sunday. Without parent participation Nippers just wouldn't be possible. We continue to punch above our weight in sports, a source of pride for all. Again this is an area where parent participation makes all the difference – from making sure the kids make it to training to officiating and helping behind the scenes.

## Nipper Numbers

We have continued to increase in enrolments, albeit modestly with 5 extra nippers this season - slightly more boys than girls proportionally compared to last season.

We took part in the enrolment drive post Registration Day at Warringah Mall where the Northern Beaches branch organised each local club participating a 1 hour slot. It was quite successful with families asking about our club long after we've left the stand.

Age Group	Girls	Boys	Total
Under 6	42	47	89
Under 7	48	48	96
Under 8	32	56	88
Under 9	28	51	79
Under 10	30	38	68
Under 11	31	32	63
Under 12	15	23	38
Under 13	16	9	25
Under 14	9	8	17
Totals	251	312	563

## Surf Education

This season we had a different approach to our compulsory Surf Ed sessions. We ran it on the beach rather than in the clubhouse (mostly).

Wiz volunteered his time and his teaching expertise to run Surf Ed along with keen SRCs to make it a little more engaging for the kids

as well as focusing on topics that are generally not as practiced as part of normal Nippers sessions. There were also numerous make up sessions right up to New Year's Eve (thanks Wiz!) for those that could not make the main sessions.

This season we had a significant reduction in the numbers of Nippers getting their SRC awards – from 26 to 9 Nippers. A handful of those were due to wanting to wait for next season to do it with friends who did not quite reach the minimum age by the cut off. In the seasons going forward we need to find ways to make getting your SRC more appealing.

## Junior Sports

Junior Sports' aim is to map a path from Nippers to Lifesavers. Sport is used as a vehicle to develop and maintain vital Surf Life Saving skills as well as preserve Nippers' interest in staying on the SLS path. Over the last few years Nippers have already performed more than 10 Lifesaving rescues using skills taught during training.

## Junior Competition Highlights of the season:

- 2nd at Branch (same place as last season – behind Manly by 283 points, 157 points closer than last season)
- 6th at State – Same place as season but with only 6 points off 5<sup>th</sup> place compared to 28 last season.

Well done to all competitors and Coaches

As stated by our Water Sports Head Coach, Michael Clues –

*"After another outstanding season in the water area and exceeding my expectations with some wonderful results."*

*I am very much looking forward to our season ahead with hopefully another top Five finish as a club at state."*

And Renee Nero, our Beach Sports Head Coach was also over the moon with this years results on the sand

*"What a season for the North Curl Club!!!*

*Where do I start for the Beachies..... We went from conquering the dunes at the start of the season to being Kings and Queens of Weldon Oval where there was much bribing of*

*You are all Lil champions in my eyes and I couldn't be more proud of all your efforts this year. 2nd overall @ Branch Championships to 6th overall @ State Champions absolutely phenomenal.*

#### **Branch Junior Life Saver of the year**

Surf Life Saving Sydney Northern Beaches runs this programme as a way for clubs to recognise their U14 members' achievements in surf lifesaving and the contributions they have made to all levels of surf lifesaving as well as within the community. The criteria is very broad and recognises the contribution of "all rounders". Congratulations to Sophia Spencer and Isaac Crews for your effort and contribution to the club.

#### **Thanks**

Many thanks to all who support our Nippers on Sundays, at Training and at Carnivals in various capacities - Team Managers, Coaches, Officials, Carnival Age Managers, First Aid, Water Safety teams, IRB crews, Clothing and general helpers.

I've needed to stand down at the end of this Nipper season due to personal circumstances. I had a great time as JAC for the last 2 seasons. Thank you to everyone who has personally supported me while in the role and I look forward to seeing you on the beach in a few short months.

**Natalia Salzberg**  
Director of Junior Activities

# SURF SPORTS

Glenn Slater  
Director of  
Surf Sports

“A fantastic effort by all competitors, coaches, parents and officials involved with North Curl this season”

Despite being a little lower on numbers this season I am pleased to report that the North Curl Surf Sports team, still managed a highly credible 4<sup>th</sup> position (out of 21 clubs) in the combined Northern Beaches Surf Lifesaving championships. Thanks to the outstanding efforts of our Nippers team who finished 2<sup>nd</sup>, Masters (7<sup>th</sup>) and Open Competitors (8<sup>th</sup>) we finished behind powerhouse Manly, Newport and then Freshwater.

Special mention to our Nippers Surf Sports team who came a fantastic 6<sup>th</sup> place in the NSW State Championships.....only 20 points away from victory.....well done to all involved!

A fantastic effort by all competitors, coaches, parents and officials involved with North Curl this season

## The Season in Review

### POOL Rescue

The Australian Pool Rescue championships were held at Glenelg South Australia in August, we fielded a small team however landed some great results finishing 9<sup>th</sup> overall out of 30 plus clubs. Tony Williams led the charge

In September we again held our Club Development Camp held at Blacksmiths beach, Newcastle on 16/17 Sept we had over 95 people attend with 60 participants ranging from 9 years of age to U17's. Swansea Belmont SLSC were fantastic hosts.

The sun was shining although a little fresh, the team participated in a variety of skills sessions and dry presentations featuring, becoming a lifesaver at NCC, goal setting, race day prep, training and injury management. We welcomed a number of new families to our club over this weekend.

A lot of effort goes into the planning and execution of this event, special thanks to Andrew Stuart, David Jones, Sophie Douneen, Coaches; Tony Williams, Renee Nero, Sean Davis, Glenn Coltman, Andrew Dennehy and Jason Elboz.

A massive thanks to all the parents who stepped in to make lunches and breakfasts as well as all the U17's who did water safety with the parents. Very positive feedback was received from participants and parents no doubt we can still improve this format and tweak again for next year.

## Skis landed

Our U17's received 5 brand new BOS adjustable racing skis, kindly donated by David Jones (aka DJ) a long time selfless member of our club, who has a real passion to help our kids be the best they can.

We can't thank you enough DJ and it is members like you which keep our club going.

## Interbranch Team Representatives

The following club members represented North Curl Curl with distinction at the 2017 Interbranch championships held at Stockton beach, helping Sydney Northern Beaches win back to back Interbranch Titles;

- U/12 WATER - Braden Crichton-Browne, Georgie Prowse
- U/14 WATER - Isaac Crews
- U/15 WATER - Mitch Stuart

## Carnivals

### Australia Day

Freshwater on Australia Day is an iconic carnival. A small but enthusiastic team comprising Rebecca Harvey, Amelia Wegenaar, Eva Gurtata, Greg Gurtata, Maya Morris, Abigail Milner, Isaac Crews, Mitchell Stuart and MJ punched above their weight making many finals.

### Manly 27 Jan

Manly was no different on the following day with most of the above backing up for another day of tough racing with the addition of our U17's, Charli Brown, Keely Allsop, Harry Prowse, Oscar Blaikie and Lewis Milner.

Charlie and Keely has some really good races, both making the swim final finishing 9<sup>th</sup> and 11<sup>th</sup> respectively in a class field. Keely made the final of the board and Charli the final of the Iron. Our U17 Boys raced hard, though summer holidays caught up with them a bit. Keely had her first ever ski race and with some more work on her starts will become a good ski paddler.

Our A Boat Crew the DOLPHINS, consisting of Hugo Engele, Andrew Rasmus, Rob Svendsen, Josh Terret and swept by Howard Christie had a solid 3 rows, though conditions and alleys conspired against them to make the finals.

A "BIG WELCOME" to the Dolphins, North Curl hasn't had an "A" crew for many years; it's really exciting to have a crew of their calibre.....and hopefully they will lead from the front and help us build a really strong boat section!

### Nipper Nats Sunday 28 Jan

Outside of Nippers State this is easily the toughest nippers carnival of the year ...it was fantastic to see so many North Curly kids making finals in Swim, Boards and Iron across all age Groups. Our Water Coaches Cluesy, Sean and Dinky are clearly doing a great job and we can't thank them enough.

### Freshwater Boat Carnival 28 Jan

We had 2 crews at this carnival our U19 "Donkeys" swept by David Wymer; consisting of Sean Deane, Corey Grace, Max Puddicombe and Dylan Passarinho had 3 strong rows, after an early flip by their sweep they regathered to surprise themselves and score some good placings in the round robin.

Our Bs consisting of the Honzas , Alby, Truzzy and Mark A swept by the evergreen Roger Harris also had some good rows and certainly stayed in the boat.

### Collaroy Young Guns

Our Junior Men's Crew the Donkey's plus one of our U19 Girls rowed the house down for 3 races getting some much needed race practice ahead of the championship carnivals, what was so special was Taylor Brown (bow) who helped the boys out on the day so they could row. According to David Wymer the Donkey's sweep, several rival crews couldn't believe their eyes when they were being beaten by 3 males and a female.....great stuff that!

### Ocean Thunder Final Dee WHY

Our Men's A Dolphins, had a strong competition making the semi-finals of the Ocean Thunder Surf Boat Series ... very promising considering they only came together as a crew just before XMAS

### Sydney Northern Beaches Branch Championship Results Collaroy

Led by our Nippers North Curly finished a very credible 4<sup>th</sup> out of the 21 based peninsula clubs behind the powerful Newport, Manly and Freshwater Clubs.

Our Nippers team was outstanding finishing a clear 2<sup>nd</sup> in the Junior Pointscore behind Manly. We are really looking forward to our U13s graduating to Seniors competition next season, it will be fantastic to nearly 3 board teams in u15 girls next year.

With a drop in numbers from last season our small Opens team finished 8<sup>th</sup> and our even smaller Masters team of 8 competitors finished 7<sup>th</sup>.

A callout to MJ who saved his best ski paddle for the iron-man, keeping in touch with the pack until his swim fitness caught up with him. Our U17s Men's team consisting of Lewis, Harry and Oscar showed that their fitness levels are building (though plenty of work still to do) just finishing out of the places in the Board Relay.

Maya Morris and Abigail Milner did really well for their first hit-out in Seniors Branch competition really looking forward to see what they can achieve next season.

Results:

1 <sup>st</sup> U 15 Female 2km Beach Run	<b>Rebecca Harvey</b>
2 <sup>nd</sup> U15 Female 2km Beach Run	<b>Amelia Wegenaar</b>
2 <sup>nd</sup> U15 Male Cameron Relay	<b>Isaac Crews</b>
	<b>Jeff Baker</b>
	<b>Andy Gagen</b>
	<b>Mitch Stuart</b>
2 <sup>nd</sup> U15 Male Board Rescue	<b>Isaac Crews</b>
	<b>Mitch Stuart</b>
3 <sup>rd</sup> U15 Male Swim	<b>Isaac Crews</b>
3 <sup>rd</sup> U15 Female Board Relay	<b>Rebecca Harvey</b>
	<b>Amelia Wegenaar</b>
	<b>Eva Gurfata</b>

### Surf Boats

5 Boats Crews raced... we haven't seen this many crews representing NCC since the mid 1990s!

Led by our "Dolphins" A Crew swept by Howie we also had 2 x Reserve Male Crews, with the "Venuses" consisting of Alby Barrell, Neil "Venus Relations" McKinnon, Mark Andrijic and Neddy Heaton swept by the "mild mannered" Phil Cullum ... who had 5 rows and UFC bout in their final row and Team Honza , Jimmy Black , Truzzy and the Honza boys swept by Roger Harris, who had a good crack all day.

In the U19's the Donkeys rowed well while also debuting for their first ever competitive row was Tommy, Sam Heaton, Sam Barrell, & Kyle Inkster..... a real father and son affair with Alby (Sam B's dad) and Ned (Sam H's rowing in the Venuses)

### State Titles – Masters and Opens - Blacksmiths Beach, Swansea Belmont

- Masters – 5 competitors – 2 gold, 1 silver 1 bronze
- Opens – U15s Numerous finals, Cameron relay male and female, swim teams female, board relay final female, Swim final - Mitch, Isaac & Eva – Mitch Ironman final (eva Semi final u female flags)
- U17 Board Relay final – Oscar / harry/ Lewis – Board Rescue Semi Oscar/harry
- Boats – A Crew – Second round / Quarters
- Men u19 - Quarters
- Branch Point score – 4th Overall by 5 points – Nippers led way 2nd Outstanding!!

### Aussie Titles – Scarborough Beach, Western Australia

Small but dedicated team of 20 Competitors represented NCCSLSC at Aussies 2018 held at Scarborough Beach April 14- April 21. Staying in what only can be described as "rustic charm" accommodation our fearless team did themselves proud and represented North Curl with distinction. For many of our younger members it was their first ever Aussie titles, the Donkey's survived their "massive" road trip, Howie is seeking revenge and plenty of memories were made.

#### Youth Highlights

- Mitchell Stuart - 2<sup>nd</sup> u15 Board Riding, U15 Male Iron Man Finalist – 12<sup>th</sup>.
- U15 Board Semi-finalist
- Eva Gurtata – 10<sup>th</sup> U15 Female 2km beach run
- Rebecca Harvey – u15 Female Board Semi-finalist
- Eva Gurtata, Rebecca Harvey, Amelia Wegenaar, Gabbie Stuart – u15 Female Cameron Relay Semi- Finalists

#### Masters Highlights

- Andrew Stuart – 1<sup>st</sup> Men's – 55-59 2km Beach run, 6<sup>th</sup> Men's 55-59 Board
- Glenn Coltman, Andrew Stuart, Glenn Slater – 4<sup>th</sup> 130 years Taplin

#### Opens Highlights

- Oscar Blaikie – Semi-Finalist U17 Men's Board
- Oscar Blaikie / Harry Prowse – Semi Finalist U17 Mens's Board Rescue
- A BOAT Crew Dolphins and Junior Donkeys unfortunately didn't make it through qualifying rounds....big things next year!

#### Annual Club Awards

This year the Whakatane Trophy for the "Most Outstanding Carnival Competitor" of the year award went to U15 male competitor, Mitch Stuart who claimed a silver at the Aussies at Scarborough Beach in the Board Riding and 12<sup>th</sup> in the U15 Ironman final.

Well done Mitch!

The Ian Fairlie Trophy awarded for the "Most Outstanding Master's Competitors" of the year went to Andrew Stuart (yes, Mitch's Dad). Highlights for Andrew included his victory in 55-59 Men's 2km run, a 4<sup>th</sup> in the 130 years taplin at Aussies and a gold in the 150 years board relay at the NSW State Titles at Blacksmith's beach. Congratulations Andrew!

### Sunday Events

On the second Sunday of every month we have been holding our Sunday Club races. This seemed to work well with an increase in numbers, a big thanks to Wiz for coordinating.

Patrol 10 ended up being the winner of the Sunday events point score and Nathan Johnston was awarded the "most consistent" Sunday competitor.

#### Many hands... "Thanks"

It takes so many people to make a team and we are lucky at North Curl to have a fantastic bunch of coaches, officials, IRB support, water-safety, first Aiders and helpers.

....A BIG THANKS to the following:

**COACHES:** Renee Nero, Sophie McGovern, Tim Ashby, Michael Clues, Andrew Dennehy, Sean Davis, Jason Elboz, Hayley Sparkes, Tony Williams, Glenn Coltman, Sweeps; Howard Christie, Roger Harris, David Wymer, Phil Cullum, Bruno and Dave Ronald

**OFFICIALS:** Louis Tassone, Clare Hagon, Jim Gagen, Julie Harvey, Andrew Stuart

**IRB:** Kurt Wegenaar, Ben Dregghorn, Sean Deane, David Murray, Corey Grace, Max Puddicombe, Sophie Douneen

**Water Safety:** David Harvey, Simon Prowse,

**Trailers and Tents:** Richard Smith, Clay Melbourne, Scott Bradley, David Jones, Andrew Stuart, David Wymer and the Donkey's for expertly guiding all our gear to WA and back.

Apologies If I have missed anyone...we are lucky to have so many contributors!

None of our competitors could race at the championships without the assistance of those mentioned above.

All the activities outlined so far would not have been achieved without the tremendous support of the North Curl SLSC Board of Directors and the Junior Activities Support.

### Whakatane Trophy

Best Carnival Competitor

**Mitch Stuart**

### Ian Fairlie Trophy

Best Masters Competitor

**Andrew Stuart**

# MEMBER SERVICES

**Jamie Howieson**  
Director of  
Member Services

*"It is an honour to be selected to the board where I can personally give back to a club that I first attended as a six year old "*

As a new Board Member, I was given the privilege for the 2017/18 season the portfolio of Director of Member Services. It is an honour to be selected to the board where I can personally give back to a club that I first attended as a six year old, attending Nippers under the late and great Snowy Huston with this past season being my 19<sup>th</sup> year as an active member. I take it as my challenge to understand this role with the support of the other directors to work out how under this portfolio can best serve our members and provide the best possible club for all to enjoy.

It is with great pleasure that I can provide a summary of the key highlights for this year which reflect the great work the club and Board are doing for its members in the 2017/2018 season:

The life members lunch was held mid December 2017 in our new Members Area of the clubhouse. A fully catered sit-down meal for around twenty Life Members was provided with refreshments which created the perfect environment for all generations to catch up and reminisce on the old times. It also allowed the board the opportunity to update the life members on the great future plans it has for the club.

On a personal note it was nice to catch up with some of our older members to talk about the days gone past and to hear from their perspective what was important to them in relation to the club and the services it provides to its members.

One of the biggest nights on the members calendar was the Motown evening held on boxing day. A special thanks to Glenn Slater for having the vision to book the Dancing In The Shadows of Motown. The show featured a 9-piece band with an array of international performers was a very popular event, resulted in the dance floor and bar pumping with over 330 tickets sold and around \$11,000 of profits returned back to club.

The annual Golf Day was held on 27<sup>th</sup> December at Long Reef Golf Club where the whole course was booked out for a half day. Most players then returned to North Curl Curl Surf club for further refreshments and lunch and a few games of the famous hours racing game to continue the fund raising for the club. Numbers were slightly down from the previous years due to the scheduling of this event following the Motown evening. We saw some courageous efforts with some members managing to attend both events, including our President. Never the less the day managed to have a full running sheet of Ambrose golf with around 90 players taking part in the event. The weather was perfect and feedback from the

players were very positive due to the outstanding efforts of Danni arranging all the marketing material and Long Reef Gold Club for arranging the logistics in running the golf, catering the breakfast and keeping players hydrated out on the course. The day was a huge success with around \$5,000 raised. We must thank our sponsors: Built and Vivid for their kind contributions towards the day. Next years golf day has been pre-booked for 28 December 2018 so please save that date into your calendar.

One of the greatest assets to the members is the club house and the surrounding grounds. There have been a number of exciting initiatives being considered by the Board for the club house and grounds to be funded through a variety of community grants and club money.

The board approved \$10,000 towards developing a number of concept design options to improve the members area by carrying out internal modifications to the bar and kitchen. One of the grants conditions is that all the necessary planning approvals have to be in place to enable works to commence for the projects being put forward in the application. To ensure we put the right option forward, it was agreed that a working committee made up of a variety of club members be developed to assist with consulting the members on the options being proposed to confirm the final scheme to be put forward for adoption. The next phase would be to seek development consent, which can take up to six months. The next round of grant offers would be August 2019.

Laura Snyder has been assisting the board in managing the grant applications. One grant has been lodged seeking \$20,000 towards the nipper's storage. Notification of the application is expected in August 2018. There is another \$40,000 application being considered for the upgrade of the blinds and to install some ceiling fans into the members area which will also include some upgrade of electrical works to the club.

The club was also successful in obtaining \$25,000 of grant funding towards the upgrade of the BBQ area with long needed improvements to the landscaping, including new plantings and pathways to make the space more family user friendly. It is expected that these works will commence in August 2018 and be completed in time for the first patrol of 2018/19 season. The Board also commenced upgrading the tables and chairs in the club during the season, which we received an overwhelming response from all the patrons using the facility at bottles regarding how much they liked the new furniture.

# MEMBER SERVICES

There were a number of successful awards nights, including the Nippers Awards afternoon and the main event hosted by DY RSL. I would like to acknowledge and thank Laura Snyder and Danni Petkovic for all their efforts arranging the evening and to Glenn Slater and Harry Prowse for keeping the crowd entertained, making the night a huge success focusing on the youth in the club and acknowledging all the awards obtained over the season.

I would like to personally thank Mike Rasmussen, who was my deputy throughout the season, for his endless enthusiasm and great ideas regarding ways to constantly improve the club's facilities and my fellow Board of Directors for all of your support and guidance in my first year on the Board. The Board has made some outstanding plans over the current year, which I look forward to seeing implemented in the 2018/19 season.

Jamie Howieson

# MARKETING & SPONSORSHIP

**Danni Petkovic**  
**Director of Marketing**

**"2017/18... another successful Life Saving season for North Curl Curl Surf Club with amazing community engagement, involvement and support."**

Strong community and business partnerships and dedicated, committed volunteers assist North Curl Curl Surf Lifesaving Club to deliver professional service to our beach going community and maintain our 'no lives lost' motto in the 2017/18 season. I thank our fantastic sponsors, committed volunteers and fellow board members for the tireless work, in patrolling our beaches and training the next generation of surf lifesavers at North Curl, waving the North Curl flag in local, state and national competition, running the operations of the club, bar, kitchen, kiosk and our fundraising events and award nights. It looks easy and we reap positive results due to the commitment of many. I'm grateful to have been welcome so warmly in my first year. A special mention also goes to our finance Director Simon Prowse, who we are very grateful to for his very professional services and massive dedication to our club.

## EVENTS

Joining the Board of Directors in November 2017 after former Director of Marketing, Louis Tassone retired in August I quickly became aware of the big task involved with planning for our first event, 'The 3 Points Challenge', well underway. Louis and Julie Tassone (former Club Registrar) did a fabulous job and this was the first event I helped the club market. A successful day resulting in XX participants and over \$20,000 raised in funds for the club.

The next NCCSLSC event ran with the assistance of Surf Sports Director, Glen Slater and President, David Wymer, was a band night at the club house to 'test the market' for live music events in the community. We sold 300 tickets only using digital and social media (plus word of mouth) and quickly sold out 'Dancing in the Shadows of Motown' BBQ and music night, held 28 December. Fabulous feedback about a great location and much needed affordable live music event for the local community, plus lots of general positive feedback all round and a new sponsor gained for season 2018/19 in 'Speed Gas' as part of discussions during the event. Big thanks to the helpful speedy team at Speed Gas and the great support from Balgowlah Automotive and The Friendly Dentist Manly.

The Annual Golf Day on 29 December was also marketed and tickets sold via digital sales platform and social media, with tickets also sold on day, next season

more effort will go into 'early bird' online sales as has proven popular with subsequent NCCSLSC events.

2018 Presentation Night: A successful event with 150 members attending the Dee Why RSL for a dinner and awards night 16 June, special thanks to assistant Laura Snyder.

## GRANTS

Successful in obtaining Stronger Communities Grant in 2017 being used to fund significant landscaping / safety on outdoor BBQ / grassed area, special thank you to Liberal Member for Manly James Griffin MP.

Community Building Partnership Grant application for \$37,000 June 2018 to fund window replacements, blinds and ceiling fan upgrades.

Dee Why RSL Club Grant submitted April 2018 for \$18,750 funding request for Nippers storage room expansion and update to first aid room.

## INNOVATION

Stay tuned for exciting innovations of pairing technology with life-saving -that will see us at the forefront of water safety.

Coming soon to season 2018/19!

## SPONSORS

Thank you to our fantastic sponsor Nine Network, strong supporters of surf lifesaving on the Northern Beaches, and were once again keen to support our club this past season.

Our Nippers were again grateful recipients of financial support from Ian Westmore Orthodontics, Caltex Starmart Dee Why, LJ Hooker Dee Why, GJ Gardner Homes and Curl Curl Plumbing and RJ Thomas Solicitor.

Dee Why RSL Club once again were major supporters of our club through the financial proceeds of their 'Housie days'. Our club was fortunate enough to receive 12 months of funding through this weekly activity, which has provided great financial benefits for the club.

Surf Life Saving Sydney Northern Beaches sponsorship arrangement with NCCSLSC includes waste management services covered by URM, resulting in our club not having to pay for rubbish removal this season. A big thank you to David Murray,

# MARKETING & SPONSORSHIP

SLSNSW and the team at SLSSNB.

## 3 POINTS CHALLENGE AND OCEAN SWIM

A major fund-raising activity for the club this year was again the 3 Points Challenge and Ocean Swim held on Saturday 2 December. Vivid Property Services returned as the major financial sponsor for this event. Scott Agnew and the Vivid team have been supporting the 3 Points Challenge for a number of years, helping again guarantee the success of the club's number one fund raising activity. This year we were again able to raise in excess of \$21,000 through the event. Many thanks must go to the 120 plus strong group of club members that helped run the day, making it a huge club community event as well as a great revenue raiser. We acknowledge the generous support from ZOGGS Australia, who this year again provided all the prizes for the Ocean Swim, which was value in excess of \$3,500.

We have many organisations involved supporting and providing prizes for the 3 Points Challenge & Ocean Swim, including 2XU, True Protein, Maui Jim, Altitude Training, Virgin Active, ENGINE, Fit4Dreams, BINGO Bins, Harbord Growers Market, Freshwater Community Bank Branch Bendigo Bank, Ken Sparks Carpet, Stella Blu, Catfish, Curly's Café, Nic Auton's Legends Pottery, Dee Why RSL Club, Nine News, Fit for Dreams, Stuart Douglas Hair and Red Bull. The support and involvement of these organisations continues to make this iconic event happen and strengthening its attraction for competitors who come from all around Sydney (and Australia) to compete and have a fun day out in the surf and on the sand.

Our traditional *Golf Day* ran again at the end of December, a great day on the green with 90 participants at Long Reef, fantastic support from sponsors Built and Vivid with in excess of \$9,000 raised to go back to our club. This event has been cemented as a regular fixture on the club calendar annually and continues to grow, marketed via online/social media.

The NCCSLSC Facebook page again proved an effective tool for promoting all club activities, support sponsors and events along with our new Instagram page, helping engage with a broader community and also our younger members, combined with using with our 3 Points Challenge pages to talk directly with the athlete and competition community. The Surf Sports Facebook has recently been merged with our main club page to allow effective management as they have now grown to over 3500 combined. Social media is also a very effective communication tool to thank and promote our sponsors to the broader community.

**THANK YOU TO OUR FABULOUS SPONSOR:**

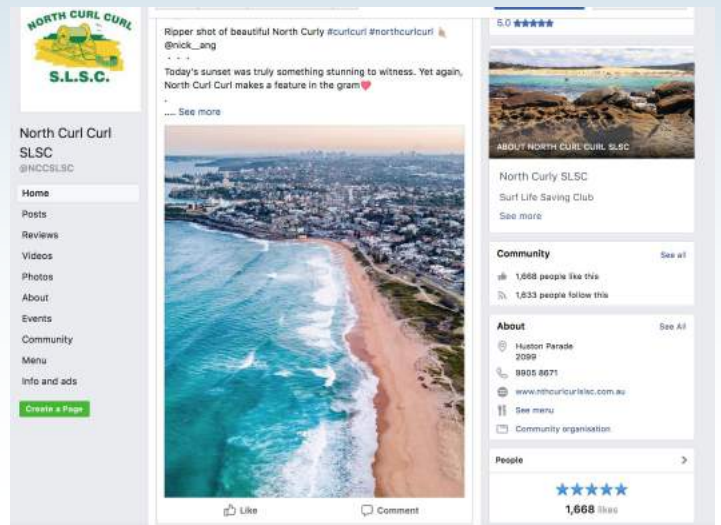

**Freshwater Community Bank Bendigo Branch**

## Surf clubs get new boats

## COMMUNITY

Social Media is continuing to be an important presence for our club. Promoting the new breakfast offering to the club on weekends was only posted organically to Facebook and resulted in a reach of over 3600 and a first weekend attracting over 60 covers. No other publicity was done. The café is an extension of our kiosk and continues to be run by our club members, for our members and local community. We are now open for breakfast Saturdays / Sundays (commenced winter 2018), with marketing only promoting on social media and an overwhelming response online and in covers to the café/kiosk.

NCCSLSC supported a program run by Daniel Peterson (community Northern Beach's Homeless Outreach Worker) sponsored by both James Griffin MP Manly and James Eyden of Clarke and Hummel Property by supplying a space for members of our community to drop off clothing and bedding donations. Representatives from Northern Beach's Homeless Outreach, James Griffin's office and Clarke and Hummel collected and dispersed.

2017/18... another successful Life Saving season for North Curl Curl Surf Club with amazing community engagement, involvement and support. We thank Northern Beaches Council, their Lifeguards, all our sponsors, supporters and volunteers for making our club the fabulous community it is.

**Danni Petkovic**  
**Director of Marketing**

FRESHWATER, North Curl Curl and South Curl Curl surf clubs have each been donated a new IRB (inflatable rescue boat) by the Bendigo Bank Freshwater Community Branch (pictured). "As a community bank, Bendigo Bank shares strong ties to the local community," branch manager Sandra Kleiner said.

**The Manly Daily**

"Surf Life Saving embodies the local community, the spirit of competition and the pursuit of excellence. We look forward to continuing our sponsorship with our local surf clubs for many years to come."

MANLY DAILY 28 November 2017

**Simon Prowse**  
**Director of Finance**

“The financial results for the year were solid”

Members, it is my pleasure to present to you the attached Financial Statements for North Curl Curl Surf Club for the financial year 2018, period 1 May 2017 to 30 April 2018.

Overall the financial results for the year were solid and comparable with past seasons. This in light of some changes both in key personnel up to board level and with the transition to a new cloud based financial and accounting system 'Xero'. Whilst there is still a fair way to go in transitioning to a modern integrated financial and reporting system, the process is well on the way.

It is pleasing to note that the Club posted a net profit for the year of \$61,726 after allowing for Depreciation and Amortization of the clubs Fixed Assets of \$77,305. This is up from \$33,301 from the same period last year and that of the recent financial years.

Cash reserves also increased by \$82,757 leaving our cash holdings at the end of the financial year at \$227,354 again a pleasing result. Like each and every year, the clubs cash position is reliant upon the fund-raising activities of Members as well as the support of our Donors and Sponsors. A big thank you to you all for your efforts and contributions this year, without your help and the kind assistance provided, both financial and otherwise, we would not be able to facilitate the

services to our Members and the public at our beach at its current level.

Major fundraising events again contributed significantly to our cash reserves, the usual suspects the 3 Points Challenge and Ocean Swim, and the Annual Golf Day once again proving popular events. This year also saw the introduction of other major social and fund-raising events with the club hosting a band and dinner evening called 'Motown' and State of Origin nights.

All these events were a great success, and more so than that is outlined in the accounts with the catering, bar sales and some supplementary incomes otherwise recognized in the financials as I will outline later in my report. A big thank you to Louise Tassone and his team with the 3 points, David Wymer and his team for the golf day, Glenn Slater and Danni Petkovic and their team for the Motown night and Robert Killian and his merry men and women for the State of Origin. Apologies if I have overlooked anyone for a special mention.

Our Social revenues increased significantly during the period from \$36,973 in 2017 to \$96,680 in 2018. The profit margin also increasing to 39%. This revenue has traditionally come predominantly from the Friday and Sunday Social activities (Bottles) reasonably estimated at \$42,000 plus for the year. A great effort all round

# FINANCE

with a special thanks to David Wymer for his tireless efforts and co-ordination of the running and stocking of the bar for Bottles and these events

This year however Social income includes other social activities such as the Motown, and Golf Day sales along with other events such as the State of Origin evening. Due in part to the increased usage of the merchant terminals (EFTPOS) and a revised catering contract has made it procedurally difficult to identify payments and allocate the revenue to a specific event. Please understand that every effort was made to review and reconcile these takings, however for various reasons it was logistically not possible. It is important that for the new season that a process is identified and information is captured at the point of sale, be it electronic or otherwise, so that sales can be categorized and identified at their origin and the payment method also identified, captured and stored. Hall revenue increased again after the completion of the renovations and is still expected to increase with ever increasing enquiries and bookings. The net hall income increased to \$17,934 in the year. Thank you to Peter Fairlie and George Lewis our Caretakers who have kept the club in immaculate condition and well maintained and continue to manage the bookings and enquiries for the Hall.

Sponsorships and Donations this financial year totaled \$108,915 which is fantastic and up nearly 10% on last years revenue. All money received is greatly appreciated and provides us with much needed funds to run the Club.

We make special mention of these benefactors, John Huston, David Jones and Family, Bendigo Bank, Freshwater Plumbing, LJ Hooker, East Coast Electrical, Ian Westmore Dentistry, GJ Gardiner Homes, The Cool Cats, Nine Network, Harbord Financial, RJ Thomas Solicitors, Warringah Council and Dee Why RSL on behalf of all members we thank you once again for your generosity towards the Club, none of us take light the magnitude of your support. Again, apologies if I have overlooked anyone for a special mention.

Grants income was also up on past years at \$34,657. With the introduction of paid role to identify and apply for Grants it is expected that the revenue achieved from grants, whether private or through the government will continue to grow.

Finally, the Clothing Department increased sales in the financial year. Whilst the profit for the year as somewhat less than previous, significant efforts were made to clear out old and obsolete stock which has reflected in a reduced profit from sales. A big thank you to Ann Allsop and Vic Howell for the years' work, a difficult and thankless task in managing the "fashion" expectations of members at an affordable price.

In closing, I want to personally thank the Board including one Colin Wilson for all their valuable assistance, support and work during the year. We are all volunteers trying to manage the challenges of family, work and life and it is comforting to know that all these efforts have gone a long way this year and have laid the future for new era for the surf club.

**NOTES TO AND FORMING PART OF THE ACCOUNTS**  
**FOR THE YEAR ENDED**  
**30 APRIL 2018**

**1. STATEMENT OF ACCOUNTING POLICIES**

**Basis of Accounting**

*This financial report is a special purpose financial report in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW) and the Charitable Fundraising Act and Regulations. The Committee has determined that the Club is not a reporting entity.*

*The financial report has been prepared in accordance with the requirements of the following Australian Accounting Standards:*

*AASB 1031 Materiality*

*AASB 110: Events Occurring After Reporting Date*

*No other Australian Accounting Standard, Urgent Issues Consensus Views or other authoritative pronouncement of the Australian Accounting Standards Board have been applied.*

*The financial report is also prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.*

*The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:*

**Property, Plant & Equipment and Furniture & Fittings**

*Property, plant and equipment are included at cost or, where indicated, at independent or Directors' valuation. All assets, excluding freehold land and buildings are depreciated at the applicable rate to write off the cost of the assets over their estimated useful life.*

*The Leasehold Improvements have been capitalised and are amortised over the remaining life of the lease.*

**Inventories**

*Inventories are measured at the lower of cost or net realisable value. Costs are assigned on a first-in first-out basis and include direct materials, direct labour and an appropriate portion of fixed overhead expenses.*

**Income Tax**

*The Club is a public benevolent institution and consequently its income is exempt from paying income tax.*

**Fundraising Activities**

*These Financial Statements include all fundraising activities carried out by the Club for the period (see note 7).*

## **PRESIDENTS DECLARATION**

### **UNDER THE CHARITABLE FUNDRAISING ACT**

*I, David Wymer, President of North Curl Curl Surf Life Saving Club Inc., declare that in my opinion:*

*The financial statements give a true and fair view of the state of affairs of the North Curl Curl Surf Life Saving Club Inc with respect to fundraising appeals; and*

*The Balance Sheet gives a true and fair view of the state of affairs of the North Curl Curl Surf Life Saving Club Inc. with respect to fundraising appeals; and*

*The provisions of the Charitable Fundraising Act 1991. The Regulations under the Act and the conditions attached to the fundraising authority have been complied with, by the North Curl Curl Surf Life Saving Club Inc.; and*

*The internal controls exercised by the North Curl Curl Surf Life Saving Club Inc. are appropriate and effective in accounting for all the income received and applied by the North Curl Curl Surf Life Saving Inc. from any of its fundraising appeals.*

David Wymer  
President

Date:  
25<sup>th</sup> July 2018
