**Gym Refunds:** As the Gym is currently shut, please do not pay a Gym Membership for the 2021/2022 season. Once the Public Health Order allows us to open the gym, the club will notify the existing gym members and request payment be made for the 2020/2021 season.

**Clothing Refunds:** As per hygiene policies there will be no refunds on any swimwear or clothing purchased that has been opened, including hats and caps.

**Competition Levy:** We are currently taking guidance from Surf Lifesaving North Beaches and Surf Lifesaving NSW on the competition calendar. As a club we are planning to run the normal structured training programs previously offered. The Competition Levy will be left unchanged except in the event where the Nippers State or Seniors Aussies titles are not able to be hosted due to a Public Health Order, in which case a 25% refund will be offered on the Competition Levy.

**Education Levy:** Any fully paid course (Bronze or SRC) that is unable to proceed due to a Public Health Order, will either be **a)** refunded in full (excluding course materials such as books and masks), or **b)** held until the course is able to resume.
